Under the agreement for 2015
Kilcummin State School will receive

$8,810*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Increase the percentage of Year 3 and Year 5 students achieving in the NAPLAN upper two bands in reading from 33% in 2014 to 50% in 2015
- Exceed regional expectations for NAPLAN improvement by at least 20 scale score points school-wide in both reading and numeracy in 2015
- Increase the percentage of students achieving at an ‘A’ standard in Mathematics school-wide from 18% in 2014 to 30% by the end of 2015

Our strategy will be to

- Improve teaching quality around the explicit teaching of reading comprehension and problem solving strategies through capability development and implementation of a coaching cycle
- Facilitate successful learners by expanding opportunities for all students to reach their potential
- Improve school performance through refinement of whole-school reading and problem solving initiatives
- Work together to ensure successful transitions through each phase of learning

Our school will improve student outcomes by
